## Rare STRIDES®

Connecting Diagnostics and Care to Those with Rare through Innovation to Make Rare Visible in Healthcare

### Our Mission

Rare STRIDES® mission is to empower patients and medical teams with innovative tools to successfully fight rare diseases, and we are committed to the delivery of exceptional clinical care for rare patients in every medical setting.

**Our Main Focus: Make Rare Visible in All Aspects of Healthcare**

**We Build Innovation that Gives Back: Empower patients and medical teams with innovative tools to successfully fight rare diseases. Every tool we build gives back to help our rare community thrive for years to come!**

**Code Rare® Medical Education & Awareness: Our nurses raise awareness about rare diseases by providing valuable information to first responders and medical teams to empower the voice of rare families and rare disease nonprofits.**

**Collaborative Multidisciplinary Network: Bringing together patients, caregivers, first responders, medical teams, nonprofit and industry leaders to create a strong unified network of evidence-based resources and ongoing support to successfully navigate rare diseases in healthcare.**

### Get Involved:

**We encourage all stakeholders to join us in making a difference. Whether you're a patient, caregiver, medical team member, nonprofit, or advocate, there's a place for you to contribute.**

**Stay updated on our events and initiatives aimed at driving positive changes to make rare visible in healthcare. Follow us on social media to learn about upcoming classes and fun community events.**
